PRODUCT DESCRIPTION

Provide the light you need for your desk with the Avide Hugo desk lamp. With its simple and minimalist design and leather-style appearance the lamp combines the modern and the classic. Thus it can become a useful and remarkable object in your rooms.

The HUGO desk lamp with a 5 W output offers adjustable color temperatures (cool, warm and neutral white). The product is dimmable continuously (without having to use set steps) by pressing and holding on the touch button on the front. The color temperature can be adjusted by pushing the button multiple times. The back of the lamp features a night light that can be switched on with the touch button on the back. The product is available in white and brown colors. The box also includes the AC adapter.
